

# **Assistant/Associate Professor**

**Max Rady College of Medicine, Rady Faculty of Health Sciences**

**Department of Pathology**

**Position #: 25772**

The Department of Pathology in the Rady Faculty of Health Sciences, University of Manitoba invites applications for a full-time tenure-track position at the Assistant or Associate Professor level, commencing on July 1, 2019, or on a date mutually agreed upon. The Department seeks an emerging scholar with a commitment to excellence in research and teaching. Outstanding candidates with expertise in the disciplines of neurobiology / neuropathology will be preferred, to complement or extend the department's strengths in perinatal and forensic neuropathology. A competitive start-up package will be provided. Salary and rank will be commensurate with experience and qualifications. The new recruit is expected to develop and maintain a rigorous and independently funded research program. Other duties will include undergraduate teaching, graduate teaching and supervision, and service-related activities.

The successful candidate will have a Ph.D. and at least 2 years relevant post-doctoral research experience; a track record of high quality scholarly research leading to peer reviewed publications; will have, or demonstrate the potential to establish an independent, innovative, scholarly, externally fundable research program and will have demonstrated strength in or strong potential for teaching contributions. Experience working with human tissue is particularly desirable. Preference will be given to candidates with demonstrated evidence of the ability to work in a collaborative environment.

Applications will be accepted until **March 31, 2019** or until the position has been filled.

Applications must include: a cover letter, a curriculum vitae, a summary of research interests, a three page research plan (covering the first year and the subsequent 3-5 years), a description of teaching philosophy, and the names and contact information of three referees for letters of reference. All of the information should be assembled into a single PDF file. Please ensure to specify position number 25772 in the application. Applications should be addressed to the chair of the search committee:
